

Transregional Collaborative Research Centre (TRR 51)

**Ecology, Physiology and Molecular Biology of the *Roseobacter* clade:**

**Towards a Systems Biology Understanding of a  
Globally Important Clade of Marine Bacteria**

## **2<sup>nd</sup> Status Seminar**

### ***Preliminary Agenda***

**Date:** 10 February 2011

**Time:** 11:00 – 16:30

**Venue:** Carl von Ossietzky University of Oldenburg  
Campus Haarentor  
Uhlhornsweg 49–55, 26129 Oldenburg  
*Bibliothekssaal*

**Organiser:** M. Simon (ICBM, Oldenburg)

**Purpose:**

- Status and future plans of project area B
- Discussion of Plenary assembly (Vollversammlung)

**Contact:** M. Simon ([m.simon@icbm.de](mailto:m.simon@icbm.de)),  
B. Junge ([birte.junge@uni-oldenburg.de](mailto:birte.junge@uni-oldenburg.de)) (ICBM, Oldenburg)

## Programme

<i>Time</i>	<i>Subject</i>	<i>Speaker/Chair</i>
11:00-11:15	<b>Welcome and Introduction</b>	M. Simon
	<b>Presentation and Discussion of Project area B</b>	
11:15-11:45	<b>B1</b> Physiological response to energy limitation in the <i>Roseobacter</i> clade	M. Soora
11:45-12:15	<b>B2</b> Ecological significance of secondary metabolite production by members of the <i>Roseobacter</i> clade	P. Beyersmann, M. Dogs
12:15-12:45	<b>B3</b> Biosynthetic pathways to secondary metabolites of the <i>Roseobacter</i> clade	H. Bruns
12:45-13:45	<b>Lunch with ART exhibition</b>	
13:45-14:30	<b>Presentation of Guest scientist</b> Similarity of antibiotic producing roseobacters in oceanic environments and in marine aquaculture	Prof. L. Gram Technical University of Denmark, Lyngby/Dk
14:30-15:00	<b>B4</b> Cell-cell communication of bacteria of the <i>Roseobacter</i> clade with other bacteria and algae	D. Patzelt
15:00-15:30	<b>B5</b> Regulatory networks of the <i>Dinoroseobacter shibae</i> energy metabolism	S. Laaß
15:30-16:00	<b>Coffee break</b>	
16:00-16:30	<b>Plenary assembly of TRR 51</b> <ul style="list-style-type: none"> <li>- Overview on upcoming activities in 2011</li> <li>- Budget issues</li> <li>- Others</li> <li>- Report of Research Training Group</li> <li>- News about website</li> </ul>	M. Simon    B. Junge R. Münch
16:30	<b>Conclusions of seminar</b>	M. Simon
