

Writing Lab

The Writing Lab offers a space for focused work on your own writing project. Whether it's an article manuscript or your thesis: you will dive deeply into your writing project and create a momentum for steady progress after the Writing Lab.

Content

- Structured writing time with regular breaks and the possibility to work according to the Pomodoro technique
- (Voluntary) mini - workshops and discussions on topics according to participants' wishes (e.g.: how to get into writing faster, how to structure an introduction, how to write productively the whole day)
- Individual consultations (30 min) with the option of text feedback for all participants
