

Citation Matters Workshop

Having trouble citing sources for your research paper? In this workshop, you will learn how to...

- ...cite different sources, such as database entries, websites or gray literature.
- ...format information sources in a reference list at the end of your paper.
- ...identify appropriate citation sources.
- ...manage sources and switch between different citation styles effortlessly.
- ...avoid common mistakes and get practical tools that will improve your in-text citations as well as your bibliography.

The course includes theoretical input and practical exercises. In this workshop the main focus will be on the Harvard style as used for example by the International Journal of Aerodynamics.

Please note:

This workshop cannot be credited as qualification measures at the Department of Mechanical Engineering. However, you are welcome to participate.

Trainer: Andreas Weitzel

This course will be held in English and online.
