Welcome Week Programme

Winter Semester 2023/24
16–23 October 2023

Welcome to TU Braunschweig!

We warmly welcome all new international students! It is a great pleasure to have you here.

During Welcome Week, you will learn everything you need to know to start your studies at your university. You can also connect with fellow German and international students and have the opportunity to get to know the most important contact persons at TU Braunschweig.

Please note that there may be changes to the programme on short notice.

Tips for Starting Your Studies

- ▶ Familiarise yourself with your degree programme and get to know your fellow students by attending the first semester events for your programme or faculty.
- ▶ Start putting together your timetable early to start the semester stress-free.
- ▶ Take advantage of the many opportunities to learn German and register with a German language course, the S.o.S. programme or a language tandem.
- ▶ Get in touch with other students by registering with some of the many leisure, sports and networking opportunities.
- ▶ Use your TU Braunschweig email address to regularly receive information about your studies and TU Braunschweig social events.
- ▶ If you have any questions about enrolment or the start of your studies, please do not hesitate to contact the Incoming Office (or the Mobility Office, if you are an exchange student). The staff will be happy to help you.

Placement Tests for German courses

During Welcome Week, you can also take placement tests for German as a foreign language. Afterwards, you can register for a German course. The tests take place on the following dates:

- ▶ Monday, 16 October, between 16:00 and 18:00
- ▶ Tuesday, 17 October, between 11:00 and 14:00
- ▶ Wednesday, 18 October, between 16:00 and 18:00
- ▶ Thursday, 19 October, between 11:00 and 14:00

The tests take about 40 minutes each and always take place in the International House (room BW 74.130).
