Meet other students from all over the world

**Summer Schools are a great opportunity to enhance your knowledge and to gain exciting new experience: During our Summer School programmes you can learn German and get to know Germany's history and culture with students from all over the world.**

Braunschweig is located in the northern part of Germany and was founded more than 1000 years ago. For many centuries, the city was an important trading and cultural center. Today, the region is known for its particularly high level of investment in research, but you can still stroll through medieval streets and discover the historic buildings.

Technische Universität Braunschweig looks back on a history of almost 300 years and thus has the longest tradition among universities of technology in Germany. It is part of the TU9 network, the alliance of the nine leading institutes of technology in Germany.

Our Summer Schools have a long tradition: Every year we offer 4 to 6-week intensive courses in German language and culture during the semester break. In these courses you will learn German in small groups at different language levels. During our lessons you will improve your grammar, pronunciation and vocabulary at the language levels A1 to B1/B2 (according to the Common European Framework of Reference for Languages). You will also learn a lot about German culture and regional studies.

Our courses are complemented by an extensive social and excursion program that allows participants to get to know TU Braunschweig and the region around Braunschweig. We visit regional companies and museums and explore various TU Braunschweig facilities. During excursions to Berlin and several German cities we get to know the history and culture in Germany better. Joint leisure activities and sufficient free time to explore on our own round off our programme.

# Impressions of our last Summer Schools

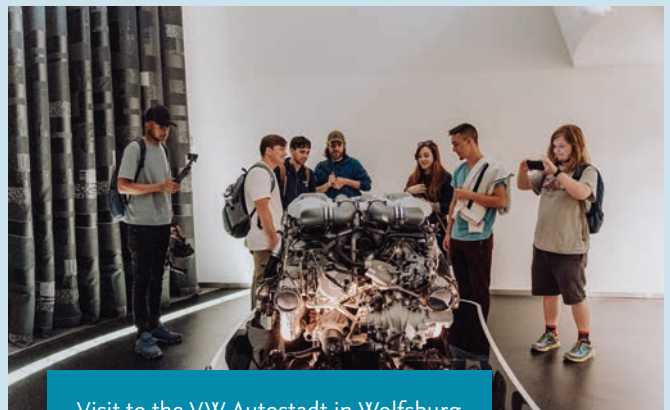

Visit to Cuxhaven and the Wadden Sea National Park

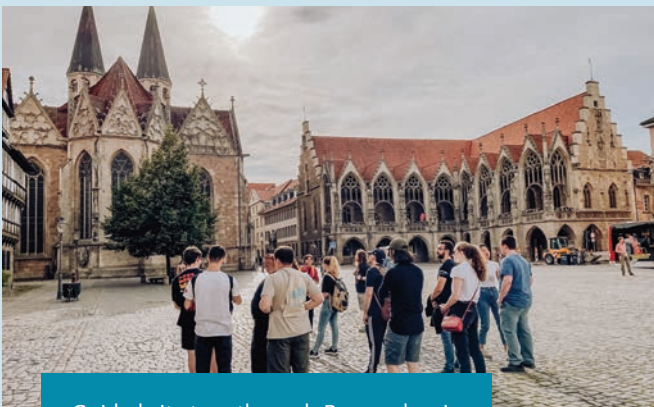

Visit to the Rammelsberg World Heritage Site

Visit to the Brandenburg Gate in Berlin

Visit to the VW Autostadt in Wolfsburg

Guided city tour through Braunschweig

Joint leisure time in the Bowling Center

# Scholarships

To foster intercultural exchange and the internalization of the region, the Lower Saxony Ministry of Science and Culture grants scholarships to student participants from the State's international partner regions. If you are a student from South Africa (preferably Eastern Cape), Tanzania, Ukraine, the Netherlands, Wielkopolska Voivodeship or Lower Silesia Voivodeship (Poland), the Normandy region (France), the Provinces of Anhui or Shandong (People's Republic of China), the Perm Krai or the Tyumen Oblast (Russian Federation) or the Tokushima Prefecture (Japan), please feel free to apply for one of our scholarships.

## The scholarships comprise:

- Course tuition and learning material
- Social programme
- Flight expenses
- Accommodation at a host family/shared apartment
- Welcome package
- Free WiFi on campus
- Braunschweig bus ticket for the duration of the programme

## Not included are:

- Visa expenses
- Health and liability insurance for the duration of the programme
- Meals
- Any additional personal expenses

## Your application should include:

- Application form (available on our website)
- Copy of your passport
- Passport photo of yourself
- Certificate of enrollment from a university in the regions mentioned above
- Curriculum Vitae (CV)
- Motivation letter
- Transcript of records of your current study programme
- Information of previous German courses (if applicable)

## How to apply for a scholarship:

Please send your application before **31 January 2024** to:

✉ [summerschool@tu-braunschweig.de](mailto:summerschool@tu-braunschweig.de)
