

# New measures to limit the spread of corona virus

In order to prevent an uncontrolled increase in corona infections, the Federal Government and the Länder have adopted the following rules of conduct. The measures are valid from 22 March 2020 for at least two weeks!

## This is allowed:

staying in public places with persons living in the same household

staying in public space alone or with no more than one other person not living in the same household

exercise in the fresh air, walking, jogging, playing with your own children

necessary ways to go to work, shopping, to the doctor or to emergency childcare

pick up food at a restaurant or snack bar and eat at home

ways and contacts for the care of persons in need

For all movements and activities in public areas, a distance of 1.50 m to third parties must be maintained!

In all facilities and during all unavoidable contacts, the hygiene regulations must be observed!

## This is not allowed:

- ▶ falling below the distance of 1.50 m to third parties in public spaces
- ▶ meetings of more than 2 persons from different households in public space
- ▶ meetings of larger groups in public space, private facilities or private homes
