WHO IS IT FOR?

The International Entrepreneurship Summer School is open to students, researchers and graduates who:

- Have a research-based business idea, want to develop a business plan and build a skilled and highly motivated team
- OR
- Are looking to join an innovative start-up team from the ground up and want to gain hands-on Entrepreneurship skills

WHAT TO EXPECT

Teams will be matched based on their interests and expertise. All teams will participate in entry level entrepreneurship seminars. They will also be able to select one of four lecture tracks focusing on a particular area of interest: Mobility, Digitisation, Sustainability and Healthcare. Each team will be supported by a business coach.
