

## Leaflet for publishing theses electronically

Braunschweig University Library offers you the possibility of publishing your thesis electronically on the institutional repository of TU Braunschweig.

Before submitting your mandatory publication to Braunschweig University Library, please pay attention to the following points:

- Update your title page after passing the oral examination according to the requirements of the [doctoral regulations](#) of your faculty.
- Provide your electronic thesis as a non-password-protected PDF file.
- Name the PDF file in the form "Diss\_LastName\_FirstName.pdf" (no special characters).
- Translate the original title of your thesis and your abstract into German or English. You will need it for the submission form.
- [Upload the PDF file](#) with your TU Braunschweig identification. Please read the relevant [instructions](#). If you do not have a TU identifier, you can also use the [web form](#) (in German only).
- Fill in the [form for publishing a thesis electronically](#) and sign the terms of contract contained within.
- Hand in the [prescribed number of print copies](#) to the University Library. These should be printed on ageing-resistant, wood-free and acid-free paper (in accordance with DIN EN ISO 9706), preferably double-sided, and permanently bound (binding without metal staples, no spiral binding).

If you are belonging to the Faculty of Electrical Engineering, Information Technology, Physics (FK 5), the following requirements apply: [Leaflet for publishing theses electronically \(FK 5\)](#).

The printed copies of your thesis as well as the electronic version have to be provided to Braunschweig University Library free of charge.

**Please ask your faculty whether further printed copies or electronic versions have to be submitted there.**

## Submission of deposit copies

Your deposit copies can be handed in during the [opening hours of the Central Information Desk](#) (until half an hour before it closes) in the entrance area of the University Library. If possible, please bring the pre-filled [Submission receipt](#) (in German only) with you, which will be countersigned by us. This is not yet the confirmation for the faculty, on which basis the certificate will be issued.

The deposit copies can also be handed in by post:

**Universitätsbibliothek Braunschweig**  
**Dissertationsstelle**  
**Universitätsplatz 1**  
**38106 Braunschweig**

You can also send the completed form for publishing a thesis electronically via e-mail:  
[ub-diss@tu-braunschweig.de](mailto:ub-diss@tu-braunschweig.de)

The confirmation for the faculty is usually issued on the following working day after it is reviewed by the [Thesis Office](#) and sent to your faculty. You will receive a notification via e-mail.
