Declaration of consent

to the use of plagiarism detection software on my written submissions*

At TU Braunschweig, (assessed) course work may be checked for plagiarism.

With my signature I,

agree that the written work I am required to prepare as part of my (assessed) course work may automatically be checked for plagiarism after submission.

The review of the work is carried out exclusively in anonymised form, meaning that personal data (first name, name, student's email) is not used.

My submissions will not be permanently stored for plagiarism check—unless separate express consent is given. When such consent to permanent storage is not expressly given, the examination report and further data are deleted upon final and absolute conclusion of the respective examination procedure.
