Please fill out the form completely (front and back). Thank you!

Consent Form

for the Review of My Paper Using Plagiarism Detection Software*

At TU Braunschweig, courseworks and exam papers can be checked for plagiarism.

By signing this, I,

.....

.....,

(First name, Surname, Matriculation number)

agree that the thesis I produce as part of my courseworks and exam papers can be subject to an automatic plagiarism check after submission.

Theses will be checked exclusively in anonymous form; that is, my personal information (first name, last name, student email address) will not be used.

Unless separate, explicit consent is provided, my thesis will not be permanently stored for plagiarism checks. If such consent for permanent storage is not explicitly granted, the review report and any other files will be deleted upon the final conclusion of the respective review process.

Any other archiving obligations on the university's part remain unaffected. I am aware that the use of external, unidentified sources constitutes an attempt at plagiarism.

Date

Signature of the student

Optional extension:

I agree that my thesis can be used as a reference for plagiarism checks on other works for a period of ten years following the completion of my studies. Refusing to sign this document will not result in any negative consequences in my studies.
