Universität  
Braunschweig

**Winter Semester 2023/2024**

# **A Hitchhiker's Guide to Science (B2/C1 – 2 Credits)**

This course is aimed at science students of all sciences including computer science (and related fields).

Topics will include a perspective on the history of scientific writing (the narrative approach), English as the language of science, science under attack as well as the juxtaposition of science and fiction (such as the merits of the Star Trek universe from the perspective of science).

**Wednesday at 1:15 pm in room BW 74.128**

Please check out our online placement test on our website if you have not been placed yet.

**Registration starts on October 9, 2023**
