EuroBrake Student Opportunities Programme (ESOP)

Organised by **FISITA** 

ESOP returns this year to provide a group of selected students with the unique chance to learn about the international mobility and braking industry, as well as participate in online activities with peers and experts

- ESOP students are invited to:
 - Q&A sessions
 - Round Tables
 - Surgery sessions
 - CV and career advice discussions
- ESOP students get free access to join the full EuroBrake technical programme online
- ESOP students get support from a dedicated Working Group
