Welcome!

Ladies and gentlemen, I am pleased to present to you the Leaflet for the year 2022. This offers a selection of insights that will allow you to gain a deeper understanding of our Carolo Wilhelmina. I would like to highlight a few points here:

- Approximately 16,800 students are earning their education in 86 degree programmes within six faculties and 130 institutes.
- Thanks to our successes in securing third-party funding, we had a budget of nearly 417 million euros in 2022.
- More than 3,100 graduates completed their degree at TU Braunschweig in 2022, including 480 international graduates.
- Over 400 partner institutes and research facilities in more than 60 countries are evidence of a broadly anchored internationalization.
- The proportion of international students at TU Braunschweig has also been rising steadily for years, reaching a new high of 19 % in 2022.
- We have also seen an increase in the number of doctoral students, including international doctoral students.
