

Registration and Submission Procedure for the CSE Master's Thesis

1. Determination of the topic

The student and the supervising professor (examiner) agree on the topic of the master's thesis. The first **and** second examiner **must** be a professor of the TU Braunschweig

2. Issuance of the task sheet

The supervising professor signs and sends the task sheet printed on institute paper including:

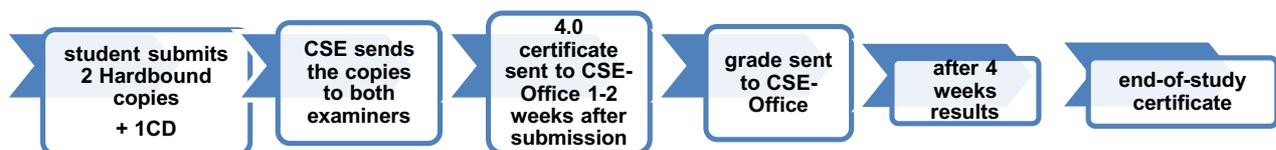

- Name of the student
- Enrollment number
- Topic in English and German
- Duration of the master's thesis
- Names of both examiners
- Name of the scientific supervisor (if applicable)

to the CSE-office by internal postal system.

The student obtains the task sheet from the CSE-office. The date of handing out the task is put on record by the CSE-office. This date is the official start date of the master's thesis.

The CSE-office advises the student on the duration of the master's thesis.

3. Submission

4. Duration

The Master's thesis carries 30 credits and has to be completed within six months.

The extension of the duration of the master's thesis can be approved by the CSE examination board in some well-founded, exceptional cases only (BPO §6 Paragraph 4).

A request must be submitted to the CSE-Office well in advance and must be supported by the first examiner.
