

Job advertisement PostDoc

The Institute of Mathematical Stochastics at the TU Braunschweig is looking to fill the position of a Research Associate (m/f/d) (with pay, depending on the assignment of tasks and fulfillment of personal requirements, up to pay group 13 TV-L) with a fixed-term employment contract (2 years with the possibility of extension), starting October 1, 2022. The position is basically suitable for part-time work, but should be filled 100%.

The duties of the position holder include qualified independent scientific work in a modern field of applied stochastics, for example in statistical physics, interacting particle systems or stochastic geometry. Appropriate participation in teaching and examination tasks of the Institute is expected. Furthermore, a completed scientific university degree (Master or Diploma) in mathematics or a related field is expected, as well as a completed or about to be completed PhD in mathematics or a closely related field.

The TU Braunschweig strives in all areas and positions to reduce underrepresentation as defined by the NGG. Therefore, applications from women are particularly welcome. Severely handicapped persons are preferred in case of equal suitability, a proof has to be enclosed. Personal data will be stored for the purposes of the application process. Application costs cannot be reimbursed.

For more information about the advertised position, please contact Prof. Dr. Benedikt Jahnel (benedikt.jahnel@tu-bs.de). Please submit your electronic application by July 10, 2022 with CV and copies of certificates via email in a single PDF to the Institute for Mathematical Stochastics at the TU Braunschweig (benedikt.jahnel@tu-bs.de). Online interviews are expected to be scheduled during the week of July 18 - 22, 2022.

We look forward to receiving your application!
