Technische Universität Braunschweig

pvz Zentrum für Pharmaverfahrenstechnik

PVZ Forum

Programme

Polymer coatings and gels for advanced cell culture and tissue engineering techniques

Prof. Dr. rer. nat. Marie Weinhart

Institute of Physical Chemistry and Electrochemistry,
Leibniz Universität Hannover

Barriers-on-Chips: Combining advances in microfluidics, materials, and sensing towards modeling neurovascular dysfunction

Dr. Thomas Winkler

Institute of Microtechnology,
TU Braunschweig

2022
2nd November
3:30 - 5:00 p.m.

Participation in the PVZ Forum is free of charge.
Registration is not requested.

VENUE

TU Braunschweig • Center of Pharmaceutical Engineering
Franz-Liszt-Str. 35a • 38106 Braunschweig
Room 049/050
