Information on the exams in winter term 2023/24

Braunschweig, 22.02.2024

Agenda

- 1 General information
- 2 Times of the exams
- 3 Registration in exceptional cases

General information

- Registration:** Registration must be made at the examination office (“Prüfungsamt”). Information on registration in exceptional cases can be found in the following slides.
- Type of exam:** Written exam
- Exam times:** The exam times of the Bachelor's and Master's lectures can be found in the following slides.
- Resources:** Non-programmable calculator, dictionary (without any handwritten notes)
- Information:** Current exam information and information on the examination logic of the Master's Specialization can be found on our website under “Teaching” → “Exams”: <https://www.tu-braunschweig.de/en/aip/pl/teaching/exams>.

Important: The exams and non-graded homework for the software tools exercises "Software Tools: Operations Research" and "Softwaretools: System Dynamics" have been offered for the last time in the summer term of 2022.

Exam times of the Bachelor's lectures

Master's Specialization B (from WS 21/22*) Supply Chain Management and Operations Management in the Automotive Industry	05.03.2024	8:00 am – 10:00 am (120 minutes)	AM	written exam
Single exam (also as a part of the Master's Specialization) Supply Chain Management or Operations Management in the Automotive Industry	05.03.2024	8:00 am – 9:00 am (60 minutes)	SN 19.1	written exam
Single exam (also as a part of the Master's Specialization) Anlagenmanagement or Nachhaltigkeit in Produktion und Logistik	05.03.2024	11:00 am – 12:00 pm (60 minutes)	PK 11.1	written exam

* In the winter term 21/22 a new examination logic of the Master's Specialization comes into force. According to the examination logic, the master's specializations are consisting of a combined exam on two lectures. As of winter term 22/23, the software tools exercises are no longer offered for examination. Information on the examination logic can be found on our website at <https://www.tu-braunschweig.de/en/aip/pl/teaching/master>.

Registration in exceptional cases

In exceptional cases, please e-mail our exam team (aip-pl-klausur@tu-braunschweig.de) by e-mail with the **subject "Advanced exam"** by **15.01.2024** with the following information:

- Name and matriculation number
- Study program (e.g., industrial engineering field mechanical engineering, business informatics, ...)
- Degree (bachelor or master)
- Type of exam (e.g., orientation A, single exams, ...)
- Lecture(s) (e.g., Sustainability in production and logistics, ...)
- Grade notification (certificate to pick up at the institute or direct transmission to the examination office)

This includes all Bachelor's and Master's students who cannot register for an exam via the TUconnect portal or need an oral exam appointment. Oral examinations are only conducted in exceptional cases with appropriate proof.

Your registration in exceptional cases can only be considered if it is submitted by 15.01.2024 at the latest and contains all the required information.
